Delaware, Maryland, & D.C. C&I RENEWABLES LINE CARD

DIS-TRAN PACKAGED SUBSTATIONS

Package Substation Solutions - Design, Engineer, Project Management
Factory Built Substations
Storm Hardened Solutions - Elevated Substation
Pre-Fabricated Bus Solutions

HV SUBSTATION EQUIPMENT

Circuit Breakers - Dead Tank & Live Tank
Gas Insulated Substations
Disconnect Switches - Various Styles
HV Oil Filled Instrument Transformers- CVTs, CTs, PTs, Combo CT/PT
Air Core Reactors & Wave Traps
HV Equipment Service

SYSTEM SOLUTIONS

AIS SUBSTATIONS

Turnkey AIS Utility or Industrial Substations
Static Synchronous Compensation (STATCOM)
Static Var Compensator (SVC)
Series Compensation Solutions
Synchronous Condenser Solution

FLEXIBLE AC SYSTEMS

CAPACITOR & ARRESTORS

Pole Top Capacitor Racks Individual Capacitor Units
Substation Capacitor Banks Active Harmonic Filters
LV Capacitors & Banks Fast Switching Capacitor Banks
DC Capacitors
Porcelain & Polymer Intermediate and Station Class Arrestors

GE PROLEC WAUKESHA

Three Phase Pad-Mounted Transformers
Step Up Pad Mount Transformers for Solar and Wind Farms
Secondary Substation Transformers (SST)
Substation Transformers for Industrial & Renewable Application
Technical Support, Field Services, and Parts

INTERNATIONAL MOTOR CONTROLS

Custom Motor Control Centers
Motor Control Centers & Switchgear - PLCs, VFDs, Soft Starts
Custom Control Panels
AC & DC Switchboards

inoLECT, LLC

Remote Racking Mechanism
High Resistance Ground (HRG)
Power Quality Solutions
Engineering- Arc Flash Studies, System Study Maintenance
Field Services

PRIMAX

SCR & Switchmode Battery Chargers
AC Inverters, UPS, Panels
DC-AC Converters, DC UPS
Rectifiers Chargers
Complete Integrated AC & DC Back Up Power Solutions including
Batteries , Racks, Spill Containment, Panels, and Enclosures
